# SENATE CONCURRENT RESOLUTION

REQUESTING THE AUDITOR TO CONDUCT A SUNRISE REVIEW OF THE  
REGISTRATION AND REGULATION OF TRANSIENT VACATION UNIT  
OWNERS AS "PROFESSIONAL GUEST HOUSE OPERATORS".

1           WHEREAS, S.B. No. 960, introduced during the Regular  
2 Session of 2019, proposes the registration and regulation of  
3 transient vacation units; and  
4

5           WHEREAS, transient vacation units are increasingly located  
6 in residential areas, often in violation of zoning laws and in  
7 conflict with residential neighbors; and  
8

9           WHEREAS, there has been a proliferation of single family  
10 dwellings being offered for short-term vacation rentals by  
11 owners who frequently do not live on-site, and do not have  
12 employees on-site during the guest's stay; and  
13

14           WHEREAS, these residential guests' houses are not currently  
15 identified and obligated to meet health, safety, and operational  
16 standards and laws generally applicable to places of public  
17 accommodation; and  
18

19           WHEREAS, guests paying for such short term vacation rentals  
20 have an expectation of minimum safety and health standards and  
21 it is in the best interest of the State that such standards be  
22 applied and met, given the State's economic reliance on tourism;  
23 and  
24

25           WHEREAS, enforcement actions against illegal transient  
26 vacation unit operators have proven difficult for county  
27 planning departments and the Department of Taxation, due to  
28 difficulty in identifying the properties being used as transient  
29 vacation units; and  
30

1 WHEREAS, Act 204, Session Laws of Hawaii 2015, amended  
2 section 237D-4, Hawaii Revised Statutes, to formalize the  
3 requirement that advertisements for transient accommodations  
4 must conspicuously provide the registration identification  
5 number of the operator or plan manager, but provided no  
6 definition of "registration identification number"; and  
7

8 WHEREAS, the counties each license and regulate transient  
9 vacation units with different processes and registration  
10 numbers; and  
11

12 WHEREAS, various transient accommodation operators and plan  
13 managers manage multiple properties throughout the State; and  
14

15 WHEREAS, the Department of Commerce and Consumer Affairs is  
16 charged with registering and licensing professions and makes  
17 this information publicly available and generally searchable  
18 online; and  
19

20 WHEREAS, a centralized and publicly searchable database of  
21 transient vacation units, including addresses, unit numbers, and  
22 tax map numbers would help identify properly registered  
23 transient vacation units; and  
24

25 WHEREAS, section 26H-6, Hawaii Revised Statutes, requires  
26 new measures, subjecting unregulated professions and vocations  
27 to licensing or other regulatory controls, to be referred to the  
28 Auditor for analysis; now, therefore,  
29

30 BE IT RESOLVED by the Senate of the Thirtieth Legislature  
31 of the State of Hawaii, Regular Session of 2019, the House of  
32 Representatives concurring, that the Auditor is requested to  
33 conduct a sunrise review of the registration and regulation of  
34 transient vacation rental owners who should be evaluated as  
35 "professional guest house operators", as proposed by S.B. No.  
36 960, Regular Session of 2019; and  
37

38 BE IT FURTHER RESOLVED that the Auditor is further  
39 requested to submit findings and recommendations, including any  
40 proposed legislation, to the Legislature no later than twenty  
41 days prior to the convening of the Regular Session of 2020; and  
42

1 BE IT FURTHER RESOLVED that a certified copy of this  
2 Concurrent Resolution be transmitted to the Auditor.
